**TEMPEST ANNOUNCES NEW
REGIONAL SALES MANAGER AARON SIMMONS**

Fresno, CA - Aaron Simmons joins Tempest Technology with five years of experience selling fire fighting equipment as well as experience selling fire vehicles. He was most recently employed by ESI Equipment, Inc., selling and supporting Holmatro Rescue Tools in Pennsylvania, New Jersey, Delaware and West Virginia.

Aaron has been a member of the Moon Township Volunteer Fire Company since 1993 and is currently a Firefighter/Paramedic. He will be relocating to the Dallas/Ft. Worth area with his expectant wife and 3 year old son.

Aaron officially starts Monday, October 6, and will be working closely with Tempest National Sales Manager Thomas Fox, and Tempest Regional Sales Managers Eric Lohse and Curt Johnson.

Aaron's territory will include all Tempest Technology accounts in AL, AR, KS, LA, MO, MS, NE, OK, TN, and TX, and can be reached at 559-696-4850 or via email at asimmons@tempest-edge.com for product demonstrations and dealer training.

Tempest has established a reputation as a leader and innovator in the air movement industry and continues in that role today. For more information on quality products by Tempest, visit us on the web at www.tempest-edge.com, or contact a Tempest Customer Service Representative at 800.346.2143.
