

Portable Generators By Honda

Wherever you need it, Tempest has the power to keep you going. The EU Series from Honda represents the leading edge of portable power technology. The totally enclosed compact design provides noticeably quieter operation while offering portability and convenience when you need it most.

The EU models are equipped with Honda's advanced inverter technology making the units extremely lightweight and easy to handle. The EcoThrottle™ System automatically adjusts engine speed to the optimum level. This unique technology makes the unit more fuel efficient while reducing noise levels.

Need light at your emergency sites? Add a 500 or 750 watt light and have instant illumination at your fingertips. These Quartz Halogen lights are light weight and fold for storage in tight spaces.

EU2000i		
2000 watts max (16.7 A) 1600w rated (13.3A)		
Honda Inverter 120 AC Power		
Super Quiet 53 to 59 dB(A)		
Super Light Weight, weighs 46.3 lbs.		
EcoThrottle™ runs up to 15 hours on 1.1 gal. of fuel		
12v, 96w (8A) DC output		
Oil alert and overload alarm		
Description	Part Number	MSRP
EU2000i, 500 watt light	702-305	\$1,552.00
EU2000i, 750 watt light	702-302	\$1,719.00
EU2000i only	701-105	\$1,175.00

EU1000i		
1000 watts max (8.3 A) 900w rated (7.5A)		
Honda Inverter 120 AC Power		
Super Quiet 53 to 59 dB(A)		
Super Light Weight, weighs 29 lbs.		
EcoThrottle™ runs up to 8.3 hours on 0.6 gal. of fuel		
12v, 96w (8A) DC output		
Oil alert and overload alarm		
Description	Part Number	MSRP
EU1000i, 500 watt light	702-300	\$1,163.00
EU1000i, 750 watt light	702-301	\$1,330.00
EU1000i only	701-100	\$835.00

Variable Speed Electric Blowers

- No exhaust emissions or carbon monoxide
- No start up amp surge
- Precise control of air flow
- Runs on 2,000 watt generator
- Starts and runs on a standard residential 115v 20 amp receptacle without tripping the circuit breaker

Model	Part Number	MSRP
EB-16-VSM	700-261	\$2,096.00
EB-18-VSM	700-262	\$2,400.00
EB-21-VSM	700-263	\$2,493.00
EB-16-VSF	700-260	\$2,096.00
EB-18-VSF	700-244	\$2,400.00
EB-21-VSF	700-240	\$2,493.00

Generator Blower Packages

Tempest has been the leader in gasoline and electric powered Positive Pressure Ventilation (PPV) blowers for over eighteen years. The first to offer a full line of Variable Speed Electric Blowers, Tempest is also the first to offer a Variable Speed Electric Blower and Generator Package. With the addition of the Super Quiet EU2000i Series generator from Honda, you can now bring the power to the blower!

Absolute portability is achieved with the combination of a Honda Super Quiet generator and a Tempest Variable Speed Blower. Generator Blower Packages come equipped with a 2000 watt generator and the variable speed blower of your choice. Receive an additional 5% off the Variable Speed Blower, when purchased with an EU2000i Generator, with or without a light. Discounts will be given upon receipt of purchase order. Please reference Package Part Numbers listed below.

EU2000i Package Package includes Variable Speed Blower and Honda EU2000i Generator	
Package	Part Number
EBG-16-VSM	702-200
EBG-18-VSM	702-205
EBG-21-VSM	702-210
EBG-16-VSF	702-215
EBG-18-VSF	702-220
EBG-21-VSF	702-225

High Performance Lights for Generator Blower Packages

Package	500 Watt Light	750 Watt Light
EBGL-16-VSM	702-400	702-420
EBGL-18-VSM	702-401	702-421
